## Davis Airport Hangar Rental - Letter of Intent

This letter of intent represents the basic terms for an agreement that shall be non-binding. After this Letter of Intent has been made, another formal agreement may be constructed to the benefit of the Parties.

This non-binding agreement is made between the two parties being the **Lessee**, Laytonsville Airport, W50, of 7200 Hawkins Creamery Road, Gaithersburg, MD 20882 and the **Lessor**: \_\_\_\_\_, of \_\_\_\_\_.

The Lessee intends to use the premises for the sole purpose of aircraft storage.

The Parties acknowledge that this Letter of Intent is not enforceable by any party. The terms outlined herein are solely for the purpose of reaching a later agreement in the future.

# Davis Airport Hangars

Davis Airport is partnering with the Minkoff Company to build Aircraft Hangars. Below are the approximate dimensions of the T and Box Hangars that will be available. T Hangars will include a manual side sliding door. Box Hangars will include an electric bifold door. For additional information please contact the Airport Manager, Alicia Stanley at [Alicia@microuav.com](mailto:Alicia@microuav.com) or 814-571-2563.
